## CROSS TALK

The photo to the left is of “Poverty Flat” up the Red Grade and into the Bighorn Mountains. I got out of my car and looked for the trailhead. Didn’t find it, and thought it looked so desolate. Signs of hope with the little flowers here and there, and eventually did find the trailhead up the road.

Poverty Flat reminds me of our own wilderness experience. We’ve been through so much, and continue to be plagued by Covid, monkeypox, political awfulness, war in the Ukraine, and unrelenting heat. As I mentioned in Sunday’s service, please take time to see the little “flowers in the wilderness”. For example, we had an incredible potluck last Sunday with tons of great food and busy conversations going on at all the tables. Many thanks to Kathy Hosford and her Fellowship team for organizing, and to Kim and Larry Huestis for roasting the shredded pork and serving it up. Larry introduced me to coleslaw on my pulled pork sandwich, and I’m now a fan. All of the members of the Minister Search Committee were there, with lots to share.

We are blessed to have such a great Search team. I commend them for giving the occasional updates during church, and for presenting their current work to the gathered 32 people. Alicia Carrel, ERA Realty and one of our church folk, was invited to give an overview on rental prices, building, and buying a parsonage in Sheridan. Everyone listened attentively and asked great questions. Church Moderator, Julie Baker, stated that in housing and every aspect, including preparation of our profile, the Search Committee is working diligently. They had their own meeting after the potluck.

What does all this mean for me? As you all know by now, I will be retiring the end of June 2023. I will remain a member, but need to step aside for a year to allow the new minister space. As I see it, my job now is to not only keep the mission and ministry of the church moving forward, but to prepare volunteers to take on some of the roles I have been doing. After all, you can’t expect a new minister to “know and do everything” on day one. For example, Ariel Downing, who teaches at Holy Name and is an accomplished musician, is coming onboard our Last Friday concert team. This is one of the areas I have been heavily involved in. You will see that one of our online attenders, Mandy Cantrell, is taking on our Facebook page while I’m on vacation. I’ve only met her in person once, in Albertson’s, when she called out my name (never knew what she looked like). We have become good friends, in the “virtual” world. She is, yet, another “flower” in the wilderness.

Yes, there is much work to be done, and, yes, we have a great start! Walking with you all in the wilderness, where flowers and hope abound.

Yours, always in Christ,

Pastor Sheila

Please join us in celebrating  
 33 years of Doug's ministry in our community

After 33 years of ministry, Doug Goodwin, minister of First Christian Church, is retiring.

As you know, we have shared worship with First Christian Church for many years during Easter and at Christmas. Doug has always been a big part of this, and he has taken leadership roles in the Lunch Together Soup Kitchen for many years—a familiar face to us all!

This is an open invitation to all our church members and attenders to celebrate his ministry.

In 1926, Sheridan community churches put this monthly ad in the newspaper to scold locals to GO TO CHURCH! That's a new spin on ecumenical work!

SHERIDAN POST-ENTERPRISE, SUNDAY, MARCH 7, 1926.

Society Church and State

IS it a square deal for you to neglect the church when you would not live in a community without the church? If the church is the backbone of any community, the center of our best life, thought and development; the greatest builder of private and public conscience; the soul's school for character that will live through eternity; and giver through its membership of more than 80 per cent of all charity—is it a square deal for you to let others do all this for you—and carry your dead weight beside?
